---

Note: Refer to personnel policies 0600 "Medical Examination Program" and 2508 "Drug Testing Program" for testing requirements.
Examples of Work:

- Provides supervision and technical assistance to district resident engineers, materials staff, construction personnel, and geotechnical staff.
- Provides quality assurance for district construction activities.
- Serves as the district construction and materials representative during the project development process.
- Serves as the external contact for the public and media and the internal contact for department customer service and community relations personnel regarding district construction activities.
- Interprets project specifications for district construction and materials staff.
- Resolves conflict between contractors and construction personnel when necessary.
- Coordinates district geotechnical needs including preliminary site investigations for future projects.
- Investigates potential quarries for the production of state-approved materials; monitors existing quarries used for aggregate production.
- Budgets and administers resources for district construction and materials programs; monitors district construction and materials expenditures.
- Supervises district construction and materials staff including making hiring and other employment-related decisions, assigning work, conducting performance management and ensuring appropriate training is provided.
- Performs supervisory responsibilities in a manner consistent with the department's Affirmative Action Program.
- Performs other responsibilities as required or assigned.

In order to be considered for this vacancy please go to the MoDOT Employment Application System (EAS) and submit an on-line application. Applications, and if applicable transcripts, must be received by no later than 11:55 pm of the closing date listed on the advertised vacancy.

MoDOT is primarily conducting telephone interviews due to social distancing requirements at this time. For applicants being interviewed who are hearing or speech impaired and need assistance, we will coordinate with the Missouri Relay System.

The Missouri Department of Transportation promotes an equal opportunity workplace that includes reasonable accommodation of otherwise disabled applicants and employees. Please see your manager should you have any questions about this policy or these job duties.

MoDOT does not hire individuals with F-1 OPT visas into full-time or permanent part-time positions and MoDOT does not sponsor applicants for work visas.
