

Missouri Department of Transportation

Code: R04037

Title: Transportation Enforcement Investigator

Exemption Status: Non-Exempt

Grade: 11

Job Description

Effective Date 10-01-2015

Replaces
(Effective Date) 05-01-2014

General Summary The transportation enforcement investigator conducts routine safety and economic investigations, educational briefings, safety audits, inspections of vehicles within an assigned region of the state, and develops enforcement cases. Responsibilities are performed under moderate supervision.

Minimum/Required Qualifications Bachelor's Degree: Criminal Justice, Law Enforcement, Safety, Business Administration, or related field
Certification in North American Standard Inspection, General Hazardous Materials, Cargo Tank/Bulk Package, Federal Compliance Review, Motor Coach and Enforcement Procedures courses within six to 12 months of hire.
Successful completion of a range of motion examination and a medical-physical examination.

Supervisory Responsibilities None

Location Central Office - Motor Carrier Services

Special Working Conditions/Job Characteristics Job requires regular travel within an assigned region and occasional, statewide, overnight travel.
Job requires heavy physical exertion and effort.
Job requires exposure to physical hazards, health and safety risks, and/or adverse or otherwise undesirable characteristics in the environment.
Job may require operation of vehicles to plow snow and spread ice control materials.

Examples of Work

- (1) Conducts routine investigations, educational briefings, and safety audits of interstate and intrastate motor carriers and vehicles for conformance with the Federal Motor Carrier Safety Regulations and Missouri State Statutes in the areas of safety and hazardous materials regulations.
- (2) Conducts economic enforcement inspections of interstate and intrastate motor carriers, the bus and limousine industries, hazardous materials cargo trailers, and mobile home carriers; investigates complaints regarding unauthorized carrier operations.
- (3) Conducts safety inspections of commercial motor vehicles, hazardous materials compliance reviews, and

physical inspections.

- (4) Determines the severity of identified violations of carriers, resolving those that are less severe and documenting serious violations; confers with the supervisor concerning violations that warrant legal procedures; testifies in administrative and legal proceedings.
- (5) Conducts joint inspections, investigations, educational briefings, safety audits and economic enforcement actions with representatives of other state and federal agencies.
- (6) Conducts orientation programs for new and established carriers in the areas of inspections, safety and compliance reviews, and economic enforcement regulations.
- (7) Performs other responsibilities as required or assigned.

The Missouri Department of Transportation promotes an equal opportunity workplace that includes reasonable accommodation of otherwise disabled applicants and employees. Please see your manager should you have any questions about this policy or these job duties.
