## Examples of Work

- (1) Oversees the processing of applications for motor carrier/commercial motor vehicle registration/licensure/special permits requests.
- (2) Responds to complex and/or problem inquiries and prepares correspondence pertaining to licenses/registrations/special permits requirements, statutes, application procedures and fees to obtain clarification or missing information, and ensures that licenses/authorizations/special permits are issued in a timely, accurate manner; provides assistance in daily work when necessary.
- (3) Interprets and explains state statutes, department rules, policies, and compliance requirements for obtaining and maintaining registrations/licenses/special permits to applicants, motor carriers, transportation industry representatives, officials from other jurisdictions, legal and enforcement personnel, staff and the general public.
- (4) Reviews non-commercial building special permits issued by district offices for uniform compliance with special permit regulations as needed.
- (5) Makes recommendations and assists in the revising of motor carrier licenses, authorizations, special permit policies, program plans, and regulations as required.
- (6) Provides recommendations for section procedures, workflow to improve efficiency and productivity, reports

problems and issues, reviews progress of assigned tasks; prepares and submits weekly activity reports.

- (7) Participates and provides input and recommends solutions in issues concerning internal and external customers; coordinates updates/changes involving motor carrier issues with other applicable local/state/federal agencies.
- (8) Testifies at hearings on motor carrier safety and compliance related issues.
- (9) Performs supervisory responsibilities in a manner consistent with the department's Affirmative Action Program.
- (10) Performs other responsibilities as required or assigned.
